## Galleria

The Galleria tab is the on-line analogue of the large downstairs room at the Weston Waterfront. We use it for the Art Show, Dealers' Room, Exhibits, Con Suite, Fan Tables, some of the offices, etc.

“Also, with the art show, it's difficult to realize that there is a frame in the page, as the scroll bar is right next to the standard one. To see all the artists, you need to scroll down the frame.” –Lisa Hertel

## Fan Tables

Find out about conventions and fannish activities near and far—visit the Fan Tables in the Galleria! Text chat with table hosts for the latest info from DisCon III (this year's Worldcon in Washington, DC) and Chicon 8 (next year's Worldcon in Chicago). Plus Worldcon bids for future years, Glasgow in 2024 and Seattle in 2025. Regional conventions—Arisia, HELIOSphere, Readercon, Astronomicon, and Capclave—have fan tables. So do this year's World Fantasy Convention and next year's Boskone! Plus the Broad Universe, Fan Funds & Auctions, and Journey Planet Fanzine tables.

Fan tables are “open” until 6pm Saturday and from 11-3 Sunday. “Open” means someone from the group is keeping an eye on the chat window. There's information and more to see around the clock.

## World Fantasy Convention

World Fantasy Convention Montreal had a lively discussion during last night's party and we hope to do it again tonight starting at 8pm (2000), currently in the Maple breakout room. Come and hang out with us, and ask about our discount membership code for Boskone members. There will also be a special announcement, so be sure to look for that.
